## Lesson 6: Ceremonies & Spirits

### A Coyote Legend

Coyote is known as a trickster. In Native American tales, Coyote is always trying to trick the other animals in order to get his own way. Think about the legend you just read. What different ways did Coyote act?

1. Fill in the bubbles below with 3 different traits from the choices below, or your own ideas, that Coyote demonstrated in the story.
2. Under each trait, give an example from the story that supports that trait.
